Remark:
1. The defense's exam schedule may be adjusted based on the panel's availability.
2. Student must submit the proof of publication by the end of the semester to be entitle for graduation approval. If they do not have proof of publication by then, they must extend their study period and maintain their student status until their paper is accepted for publication.
3.Students who are unable to complete the Thesis by the end of the semester must enroll in the forfeited credits in the following semester. This does not require re-enrollment in the entire Thesis course unless students are required to redo the Thesis or have made no progress at all.
